

Hello PoANT members

Happy Silly Season to you all! We will be having a New Year's get together on the evening Fri Jan 15th. Try and keep this date free and look out for the invite.

Thanks to those of you who were able to come to the AGM in August. Since then there has been a new Committee and Office Bearers elected.

The new Office Bearers are:

Chair:	Pat Netschitowsky
Vice Chair:	Michelle Hogan
Joint Secretaries:	Fiona McConchie & Michael Weir
Joint Treasurers:	Stephanie Roberts & Ali Baker

Thanks and congratulations were extended to the outgoing Office Bearers and Committee members who have done an extraordinary job.

At the AGM members were asked to prioritise what they considered the most pressing issues facing us in the Port and Lefevre Peninsula. As a result of this the Committee has elected to focus on 3 main campaign areas:

- Hart's Mill - its retention and future use
- Heritage protection & Council liaison
- The Port Waterfront Development.

We will be continuing our participation in the LMC Community Forum and the LMC's Cultural Mapping Steering Group.

The Radio Shack (originally a Customs Clearing Office) in Port Adelaide is currently of concern and under threat from the next stage of the Port Waterfront Development - see latest Portside Messenger. We will keep members in touch as campaigns (including the Radio Shack) progress and invite/inform members where and how they can be involved.

Have a fabulous Xmas and hope to see you on the 15th of January.

Pat Netschitowsky
Chairperson

Port of Adelaide Branch of the National Trust
